

COMMISIÓN DE GEOGRAFÍA Y GÉNERO DE LA UNIÓN GEOGRÁFICA INTERNACIONAL

CIRCULAR 64

NOVIEMBRE, 2020

Mensaje de la Presidenta

Es un gran honor para mi llegar a ser la Presidenta después de muchos años de unos liderazgos tan inspiradores. Para mi es también una oportunidad de devolver algo a la comunidad de geografía feminista. Agradezco a la presidenta anterior Lynda Johnston su apoyo caluroso y su elegante liderazgo. Muchas gracias también a las presidentas anteriores y a las personas de la Comisión Ejecutiva de las que he recibido mucho apoyo y ánimos.

Como parte de las actividades de la Comisión me complace anunciar las tres conferencias internacionales y apoyadas por nuestra Comisión:

- Sesión especialista: Género y geografías feministas: Desarrollos, direcciones y tensiones en la Coferencia de la New Zealand Geographical Society, organizada por la Prof Lynda Johnston and co-patrocinada por la New Zealand Geographical Society (NZGS) Women and Gender Geographies Study Group; The Women and Gender Geographies Research Network (WGRN); IGU Gender and Geography Commission Young y Emerging Scholars (YES)! Conjuntamente con la IGU Gender and Geography Commission.
- El 4º Congreso Internacional sobre Género y Espacio, que se celebrará entre el 19 y 23 de Abril de 2021 en la Plataforma Virtual de la Universidad Nacional Autónoma de México. Este encuentro está organizado por la Universidad Nacional Autónoma de México ,Universidad Autónoma Metropolitana de Mexico, , Universidad Autónoma del Estado de México y Universidad Veracruzana. La prof. Joseli Silva está en la Comisión Ejecutiva de la organización de dicho congreso.
- El V Seminario internacional Latinoamericano sobre Geografía, Género y Sexualidades se celebrará en Santiago, en la Universidad de Chile del 7 al 10 de setiembre del 2021. Lo organizará Martin Ignacio Torres Rodriguez y también la prof. Joseli Silva estará en la Comisión Ejecutiva del Seminario.
- La Comisión tiene intención de organizar eventos en honor de la profesora Jan Monk y sus contribuciones a la geografía del género y feminista. Esto incluye:
 - Programa de Mentorado: para realzar las diferentes formas en que Jan ha dado apoyo a muchas de nosotras, el programa se ha concebido para académicas jóvenes y geógrafas feministas de regiones subrepresentadas.
 - Un libro en honor (Festschrift)de Jan Monk que se publicará en 2022: Este volumen conmemorará también los treinta años del estatus de Comisión de Geografía y Género. La CFP (*Call For Papers*, convocatoria para comunicaciones) para este Festschrift ya se ha enviado a toda la lista de la Comisión y ya aparece en nuestra web.

- Se están discutiendo otras iniciativas como organizar sesiones especiales en su nombre en las reuniones anuales de asociaciones y co-patrocinar otro tipo de sesiones en otro tipo de reuniones
- Como ya hicimos anteriormente agradecemos a la Dra. Caroline Faria por mantener al día nuestra página web. Por favor, visitadnos en : <https://igugender.wixsite.com/igugender>. También tenemos un twitter handle now @IgUgender. Seguid y compartid vuestras ideas y logos con nosotras.
- Los últimos meses han presentados retos pues la pandemia ha impactado libertades que considerábamos garantizadas, se han profundizado grietas en nuestras sociedades y se ha demostrado que no podemos continuar sin caminar conjuntamente. A través de todo el mundo el liderazgo feminista ha mostrado el camino y ha subrayado nuestro lema básico “Cuidados, conexión y cambio”

Con solidaridad y deseando los mejores deseos a todo el mundo
 Anindita

YES! Poniéndose al día

Los miembros de YES! se han reunido regularmente durante el periodo de la pandemia de la covid-19. En nuestra primera reunión (25 junio) se discutió como apoyarnos mejor durante el tiempo de pandemia. También se redactó una declaración de solidaridad que se puede leer en el blog de la web de YES. En Junio conseguimos voluntarias para ayudar en nuevos proyectos y ser miembros del Comité YES! . Estamos muy contentas de nuestra nueva miembro del Comité, Anjeline De Dios del *Department of Cultural Studies in Lingnan University, Hong Kong*. Para saber más de Anjeline y otros miembros del Comité, por favor visitad la página de YES! : <https://igugender.wixsite.com/igugender/yes-committee>.

Desde junio nos hemos reunido dos veces más (Agosto y Setiembre) para discutir sobre la ética del trabajo de campo durante la pandemia, y sobre género, matrimonio y patriarcado en el contexto asiático, basándonos en la serie de Netflix '*Indian Matchmaking*'. Para leer la declaración de solidaridad y las reflexiones de las dos sesiones siguientes visitad el blog de la la página web YES! : <https://igugender.wixsite.com/igugender/yes-blogs>

YES! se trasladará a la Wix website que estará conectada a la web principal de la UGI Género (vía URL links) y será similar en el formato y aspecto (por ej. color, logo etc.) a la de la web de la Comisión de Género de la UGI. La razón por la que se traslada es para permitir a YES! confeccionar más páginas con contenido específico de YES! que incluirán comentarios

relacionados con las webinars mensuales y también contenido adicional de los miembros de YES! . Todo ello requiere más espacio de almacenamiento y esta es la razón de la creación de la propia website.

Un segundo proyecto en el que YES! está trabajando es una serie de podcasts. Ya hemos grabado dos entrevistas: una con la presidenta saliente de la Comisión , Lynda Johnston y la otra con la presidenta entrante, Anindita Datta. Los podcasts se están confeccionando y probablemente se publicaran en noviembre. YES! enviará un correo electrónico a la lista amplia de la Comisión así que los podcasts esten listos para escucharlos. YES! planea mas podcasts y esperamos vuestro apoyo cuando llegue el turno. Los podcasts servirán para documentar el desarrollo e historia de la comisión de Género y Geografía (UGI)

El próximo YES! webinar tendrá lugar el 19 de noviembre a las 19:00 hora de Singapur (11:00 GMT). Discutiremos el valor de los retos para desarrollar una filosofía/voz feminista al escribir declaraciones sobre la investigación o la enseñanza. Si eres una académica joven y feminista y quieres participar en el webinar, o quieres saber más de YES!, por favor contacta para más detalles con nosotras: yesccgigu.website@gmail.com
