IGU Latest News Classification

S. No.	News Segment	Description	Typical Content	Examples (from IGU)	Target Audience
1	Academic Events & Conferences	Announcements of conferences, symposiums, workshops	Call for papers, venue, dates, themes	Applied Geography Conference (Sweden 2026), CDES Conference (Finland 2026), ISCD Conference (China 2025)	Researchers, academicians, students
2	Calls & Opportunities	Invitations for participation in awards, publications, or academic contributions	Award calls, book chapters, fellowships	IGU Honors & Awards 2026, Call for book chapters	Scholars, professionals
3	Awareness & Outreach Events	Events related to global observances or public engagement	Seminars, awareness campaigns, global days	International Mountain Day Seminar, Global Understanding Anniversary	Public, educators, researchers
4	Recognition & Achievements	Highlights of awards, honors, or institutional achievements	Fellowships, recognitions, appointments	IGU Chair Distinguished Fellow recognition	Academic community
5	Research & Publications	Updates on journals, reports, and academic metrics	Impact factors, journal updates, reports	Geography & Sustainability journal metrics	Researchers, publishers
6	Memorials & Tributes	Posts honoring deceased scholars or contributors	Obituaries, remembrance notes	In memoriam	Academic community
7	Institutional Announcements	Internal updates from IGU or its commissions	Organizational updates, new initiatives	Commission activities, IGU updates	Members, affiliated institutions

Note: Approximately 65–75% of IGU news posts originate from its commissions.

IGU News Monthly Posting Trend (Jan 2025 - Mar 2026)

The graph shows that IGU news posting is highly irregular and event-driven, rather than consistent. The peak in December 2025 indicates **clustered announcements**, likely linked to conferences and calls.
